SEMPER RESPONSUS

In Relentless Pursuit of Medical Readiness

SPECIALIST AMPUTEE SERVICES

for *effective* training

CREATING A MORE REALISTIC CASUALTY SIMULATION

increases knowledge and performance in three important areas:

- ◆ **Training Retention**
- ◆ **Injury Recognition**
- ◆ **Rapid Reaction Time**

EFFECTIVE REALISM

Action Amps (ACS Ltd) provides traumatic catastrophic simulations with effective realism by use of amputees and special effects make-up.

Utilising the services of Action Amps (ACS Ltd) will enhance your training simulation events and packages with realism, providing trainees with realistic traumatic injuries, which will ensure effective training and help take the “shock” factor out of a real LIVE situation thus SAVING lives.

Our services can be incorporated into endless training packages including:

- ◆ Road Traffic Accidents
- ◆ Health & Safety Training
- ◆ Disaster Planning
- ◆ Middle East Pre-deployment

AMPUTEES

With a selection of amputees and a range of amputations, male and female, young and old, we can almost always accommodate your pre-defined training requirements.

Our amputees have experience in varying levels of role-play, from film and TV extras (including stunt roles) to military battlefield simulations.

SPECIAL EFFECTS MAKE-UP (SFX)

Action Amps (A.C.S. Ltd) have their own fully-trained SFX Make-up Artists as well as securing the services of UltimateFX Ltd. We are able to provide realistic simulations from minor cuts and bleeds through to catastrophic amputation and facial/body burns.

PYROTECHNICS

Action Amps (A.C.S. Ltd) Pyrotechnic specialists are available to supply visual and noise simulation which can be used to enhance Battlefield training etc.

WE'VE WORKED WITH A DIVERSE CUSTOMER BASE. HOW CAN WE HELP YOU?
